

No Bake Peanut Butter Balls

A RECIPE BY BOBBI BENSON

Prep Time - 10 minutes

Makes - 2 dozen

Chill - 30 minutes

ingredients

- 1 cup Peanut butter
- 1 cup Icing sugar
- 1 cup Rice Krispies
- 3 tbsp Butter, softened

Coating:

- Milk
- Icing sugar
- Shredded coconut or chopped nuts

directions

1. Mix the peanut butter, icing sugar, Rice Krispies and butter together.
 2. Chill for 30 minutes.
 3. Roll into balls (golf ball sized or smaller).
 4. Mix milk and icing sugar together until it is the consistency of runny paste. Thick enough so it will stay on the peanut butter ball and hold the coconut, but not too thick.
 5. Dip the peanut butter balls in the paste then roll them in shredded coconut or chopped nuts.
- **Alternative:** Omit steps 4 and 5. Instead melt semi-sweet chocolate and dip the peanut butter balls. You can roll them in chopped nuts, if preferred.
